**Jalitika King**

**(Defendant)**

33663 Beverly Rd  
Rancho Hills MI 48174

**Lawsuit /petition**

**For invasion of privacy. Violation of my 14<sup>th</sup> amendment to the U.S. constitution of the United States. 1<sup>st</sup> amendment & 9<sup>th</sup> amendment rights also.**

**Jurisdiction is given to the United States district court on the following grounds (U.S. constitution article 3 & U.S. constitution amendment 7. (F.R.C.P. rule 7 (a) & rule 7(7)).**

**Brief summary of facts & law**

**On May 21, 2015 the defendant Jalitika King had me admitted against my will at Oakwood Annapolis hospital (evidence # 1) (pg 1) "mother is petitioning pt. stating pt. is driving around with illegal tags on his car, no license and insurance mother also states that pt. is accusing the police of illegal wrong doings when the patient is the one in the wrong. Mother states that she would like her son to have a psychiatric evaluation pt. given gown and instructed to place clothing in patient belonging bag. Pt. refusing to take off clothing at this time, pt. is currently calm and cooperative. Respirations are even unlabored, skin is warm dry and intact nd noted at this time will continue to monitor"**

**Let me state for this court record that at the time the defendant had me admitted. She is not and was not my legal guardian. Therefore she had no authority over me and my person affairs. I was and am a grown man of the age of 40 years old. Also that it's not or was not the defendant job to interpret neither law nor my actions. I am a private citizen of lawfully age and legal capacity to handle my affairs without the defendant assistance.**

**4 facts that construe invasion of privacy**

- (1)(Intrusion of solitude): physical or electronic intrusion into one's private quarters**
- (2) (public disclosure of private facts ; ) the dissemination of truthful private information which a reasonable person would find objectionable.**
- (3)(False light): the publication of facts which though the facts themselves may not be defamatory.**
- (4)(Appropriation): the unauthorized use of a person's name or likeness to obtain some benefits.**

**The defendant acted with actual malice when she gave information about my private life. To the Michigan courts. The defendant's information caused me to be admitted against my will for a mental examination. She gave information that she had no proof of concerning my actions with the police.**

**See law case (New York Co v. Sullivan 376 U.S. 254 (1964) "actual malice" was defined as knowledge that the information was false or that it was published with reckless disregard"**

**Because of the defendant's actions, I the plaintiff Herbert Studstill El suffered emotional distress and shame to my reputation. The defendant's actions can be seen as an intentional tort.**

**Invasion of privacy : a tort based in common law allowing an aggrieved party to bring a lawsuit against an individual who unlawfully intrudes into his or her private affairs, discloses his or her private information, publicizes him or her in a false light or appropriates his or her name for personal gain.**

**Intentional tort is defined by law as "are any intentional acts that are reasonably foreseeable to cause harm to an individual and that do so. Intentional torts have several subcategories: torts against the person include assaults, battery, false imprisonment intentional infliction of emotional distress and fraud although the latter is also an economic tort an intentional tort requires an overt act, some form of intent and causation"**

The defendant also went on to carry on with her invasion of my privacy an intention tort. By testify against me on her own free will not by court order. In a state of Michigan 34<sup>th</sup> judicial district county of Wayne court hearing ( evidence # 1)( transcript dated December 2, 2015) On October 15, 2015 before a show cause hearing the defendant gave testimony against the plaintiff ( evidence # 1 pg 4 transcript) "the court is there any power do you have any power of attorney over him? Ms.floyd no I do not the court no? Ms. Floyd I've asked for outside guardianship because it would cause so much conflict between him and me if I he is totally against it so there's an outside person organization that may am trying to do it"

Let the court reflect on the fact the defendant openly admitted in court that she had neither reason nor power to act in my affairs. Her intention was to invade of my privacy and gain power over me.

(Evidence # 1 page 5 transcript) "The court did he was sent for a psychological did that ever occur? Ms.floyd: we went but he did not comply we got there locked up everything but then he would not allow them to search him. He said it was a violation of his civil rights to then we left but that's as far as I got with him. So what we're trying to do is get the third party involved to help with all of this I cannot it alone its its just total nonsense we I've talked and talked until I'm blue in the face he doesn't; listen to me so maybe these other people with the force of medication going to the doctor what have you that will help turn this situation around because he's not doing any of that. The court: how is the environment at home? Ms. Floyd he lives alone and we have managed with him doing that for years because he listened to us at that point, now he involved with these Moorish people. They take his money he has to pay to belong they have gotten him into all of this. He will not listen to us now. He doesn't' hear it but he still pays his rent and what have you like that"

Let the court again reflect on the point that the defendant openly testify against me with the intentional to invade my rights to privacy. By telling the court she wanted help to get control over me for no reason. She also admitted that I was handling my own affairs as a private citizen.

The defendant action in the court testimony caused me the plaintiff to be arrested for no reason. Accept that she wanted power of attorney over me. I spent a few weeks in jail because of her (defendant) actions.

**Let the court take note of the following case law on the rights of invasion of privacy.**

**(1) Griswold v. Connecticut (1965)**

**(2) Roe v. Wade (1973)**

**(3) Lawrence v. Texas (2003)**

**Conclusion & remedy**

**I plaintiff Herbert Studstill EI, am seeking a remedy of \$250,000 U.S. dollars. From the defendant Jalika Floyd for invasion of privacy. Intentional infliction of emotional distress. I am also asking the court to put some type of injunction on the defendant to keep her out of my affairs.**

3 THE COURT: Mr. Studstill, did you read and sign  
4 your Advice of Rights Form?

5 THE DEFENDANT: No. For the record, I'm making a  
6 special appearance and I'm challenging the jurisdiction for  
7 the record.

8 THE COURT: You want the Court to do something and  
9 the Court is asking you, did you read and sign your Advice  
10 of Rights form?

11 THE DEFENDANT: No. I am here making a special  
12 appearance.

13 THE COURT: Again, I don't want to--listen--listen  
14 to me. You want me to do something for you and I'm asking  
15 you, did you read and sign your Advice of Rights form?

16 THE DEFENDANT: No.

17 THE COURT: Then I'm gonna read them to you,  
18 because when you walked into the door of this court house  
19 you want to--the Court to grant your request, but you have  
20 to abide by our rules. Are you prepared for that this  
21 afternoon?

22 THE DEFENDANT: I'm challenging the jurisdiction--

23 THE COURT: Are you prepared--

24 THE DEFENDANT: --for the record.

THE DEFENDANT: I am ready.

THE COURT: Okay.

Mom?

MS. FLOYD: No verbal response.

THE COURT: Have a seat at that table?

THE DEFENDANT: This one?

THE COURT: Yep.

I'm--your name for the record?

MS. FLOYD: Jelica (phonetic) Floyd.

THE COURT: I'm aware of the Defendant's  
situation.

MS. FLOYD: Uh huh.

THE COURT Is there any power--do you have any  
power of attorney over him?

MS. FLOYD: No, I do not.

THE COURT: No?

MS. FLOYD: I've asked for outside guardianship,  
because it would cause so much conflict between he and I if  
I--he is totally against it. So there's a outside person--  
organization that may--is trying to do it.

THE COURT: What's the state of union of Herbert  
today?

MS. FLOYD: The--his--

THE COURT: Is he--

MS. FLOYD: --position?

1 THE COURT: Did he--he was sent for a--a  
2 psychological. Did that ever occur?

3 MS. FLOYD: We went, but he did not comply. We  
4 got there, locked up everything, but then he would not allow  
5 them to search him. He said it was a violation of his civil  
6 rights. So then we left. But that's as far as I got with  
7 him.

8 So what we're trying to do is get the third party  
9 involved to help with all of this. I can not do it alone.  
10 It--it's just total nonsense. We--I've talked and talked  
11 until I'm blue in the face. He doesn't listen to me. So  
12 maybe these other people with the force of medication, going  
13 to the doctor, what have you, that will help turn this  
14 situation around, because he's not doing any of that.

15 THE COURT: How is the environment at home?

16 MS. FLOYD: He lives alone and we have managed  
17 with him doing that for years because he listened to us at  
18 that point. Now he's involved with these Moorish people.  
19 They take his money. He has to pay to belong. They have  
20 gotten him into all of this. He will not listen to us now.  
21 He doesn't hear it. But he still pays his rent and what  
22 have you like that. He does that, but--

23 THE COURT: There's nobody but your mother  
24 standing next to you today. All these people that are  
25 feeding you all this information, in my relationship with

1 you, they're never here. The only people that you truly  
2 can trust on the planet are always here for you. All these  
3 other people, they're never here with you.

4 So he's over on Carnegie?

5 MS. FLOYD: Yes.

6 THE COURT: See, when I said he walks into this  
7 building, he--there's a whole bunch of stuff that goes along  
8 with these six cases.

9 MS. FLOYD: Yes, it is.

10 THE COURT: And he wants to talk about rights.  
11 Well, he--signing that Advice of Rights form or me going to  
12 explain those rights to him in a minute, he's gonna be put  
13 into that situation.

14 MS. FLOYD: I understand that, but I think he's  
15 just off on his binge of things. He doesn't see the big  
16 picture. He just doesn't get it.

17 THE COURT: How old is he?

18 MS. FLOYD: How old are you, Herbert?

19 THE DEFENDANT: Thirty-nine.

20 THE COURT: Hold on a minute.

21 THE DEFENDANT: It appears that the judge has left  
22 the bench.

23 THE COURT: All right, Herbert, step up. Herbert,  
24 you've been arraigned before Judge Green. I'm not gonna--  
25 she sent you for a competency exam. Did you do that?

1 THE DEFENDANT: Yes, and I'm challenging your  
2 jurisdiction for the record.

3 THE COURT Okay. And I have there's no competency  
4 in this file. You're in what's called a show cause status,  
5 that's for you to show cause why you didn't fulfill the  
6 Judge's order. Why didn't you go and take care of the  
7 objectives that the Judge gave you by going in for a  
8 competency exam?

9 THE DEFENDANT: I am challenging the Court's  
10 jurisdiction--

11 THE COURT: Okay.

12 THE DEFENDANT: --for the record.

13 THE COURT: Okay. Mr. Studstill, you have the  
14 right to remain silent. Anything you say orally and/or in  
15 writing can be used against you in court. You have the  
16 right to a trial before a judge or before a jury. You have  
17 a right to bring forth witnesses to testify on your behalf.  
18 Do you understand that?

19 THE DEFENDANT: No verbal response.

20 THE COURT: And the Prosecution has the right to  
21 bring witnesses and put them under oath to testify against  
22 you. Do you understand that?

23 THE DEFENDANT: Yes.

24 THE COURT: So, with all that said, you did not  
25 do what the Judge ordered, so what I'm gonna do on case

1 number 15-1943, your bond is five thousand dollars/ten  
2 percent. And I'm gonna order you--I'm gonna continue the  
3 Judge's order for a competency exam.

4 Case number 15-1944, Interfere With a Police  
5 Officer, I'm gonna order that you again for competency, per  
6 Judge Green's order. Your bond on that case is five  
7 thousand dollars/ten percent.

8 Case number 15-1945, I'm gonna continue the  
9 Judge's order for competency. Your bond on that case is  
10 five thousand dollars/ten percent.

11 And in the final case, Failed to Obey a Police--  
12 no, second from the last--Failed to Obey, that's another  
13 case that the Judge ordered competency. I'm gonna continue  
14 that order. I'm gonna place you on a five thousand dollar/  
15 ten percent bond.

16 And the final case, a Registration or Plate  
17 Violation, and again the Judge ordered competency. You  
18 failed to do it. I'm gonna order your bond on that case  
19 five thousand dollars/ten percent.

20 So that totals twenty-five thousand dollars/ten  
21 percent. You're gonna be--there's gonna be a--the  
22 competency order is gonna be forwarded to the Wayne County  
23 Sheriff's Department, because you're gonna be in custody and  
24 I think that's gonna make that competency exam happen.

25 You have a civil infraction that I'm just gonna

1 push out until the date--a Romulus date.

2 Michelle--matter of fact, you can just--it's at  
3 show cause now. Give me a date.

4 COURT RECORDER: I can't give you a date, because  
5 we don't know when the competency will be.

6 THE COURT: I know, so I'll just leave it.

7 Mr. Studstill, I told you at the beginning of  
8 this, when you come into the building you have to abide by  
9 all of the rules that this body of the government operates  
10 under and so I know you had good intentions when you came  
11 in, but you're gonna be going that way today.

12 THE DEFENDANT: What does that mean?

13 THE COURT: You're gonna be taken into custody.  
14 This is serious.

15 I don't know what it is on your end with whoever  
16 feeds you your information that you get, but in my thirty  
17 plus years in this building I've never been able to  
18 understand this practice that floats around on the internet.  
19 I think it all boils down to money. But, in my thirty  
20 years every case similar to yours that the same verbiage is  
21 used, I never see the parties that present this whatever it  
22 is, these beliefs, are never present with the people at the  
23 other end. You're gonna go off to jail and those people  
24 that gave you that information, they're gonna be sitting  
25 down tonight eating dinner somewhere and you're not gonna be

1 eating the same dinner they are or be in the same  
2 atmosphere. But I think the Court needs to get your  
3 attention. I think you need some medical attention and I  
4 think that once you find and you get that medical attention,  
5 life is gonna be a little bit easier to go and I think it's  
6 gonna put some people under some less stress.

7 I can tell by the look on your mom's face that  
8 this isn't happy, but we need to get your attention.  
9 You're--you're listening to the wrong people. I can tell  
10 you personally that we had these cases all set to go a very  
11 easy route, but you're focused on something that's the  
12 opposite of that. And with whoever is giving you this  
13 information, they're not standing here today.

14 Go ahead and take him into custody.

15 And now listen, going into custody--

16 THE DEFENDANT: And I am also challenging your  
17 jurisdiction for the record.

18 THE COURT: That--and I--I--it's--it--I'll take it  
19 under advisement, but again, I read you your rights and I've  
20 put you on notice that--that--bond is not a penalty. Bond  
21 is to guarantee that you fulfill the orders of the judges  
22 that sit in this building and you failed to do so.

23 What she sent you for might have been two hours  
24 out of your day and now you're turning it into this.

25 Go ahead, Tim.

1 THE DEFENDANT: For the record I want to know what  
2 my crime is.

3 OFFICER RAPP: Come on, let's go.

4 THE COURT: Case number 1942--real quick, Tim.  
5 I'll tell him.

6 OFFICER RAPP: Okay.

7 THE COURT: 1943 is Obstructing Justice; 1944 is  
8 Interfere With a Police Officer; 1945 is Driving While  
9 License Suspended; 1946 is Failed to Obey a Police Officer;  
10 and the last one is a Registration or Plate Violation.
